### **Hawke, June 2011**

"Incredible property, absolutely beautiful in every way. As a family retreat Kai Vista is unsurpassed – the level of detail and quality of construction is out of this world. We enjoyed every moment of bliss and will never forget the best view on the island – nothing like it! Pure magic – we will be back!"

### **Ruddy, June 2011**

"The view from here – Kaua'i in general – is wonderful. It can be so intense that one feels the need to avert the eyes. Thank you for opening this beautiful home to visitors – what a treat! We've been spoiled. Thank you"

### **Tumm, June 2011**

"Stunning would be an understatement. Of all the places and homes we have enjoyed, Kalihi Kai Vista is at the top of the Charts. WOW!"

### **Becker, July 2011**

"What a beautiful place to wake up! The view is UNSURPASSED from any place we have ever been. Thank you for your warm hospitality in sharing your home with us. The home is spectacular and wants for nothing!!"

### **Judd, July 2011**

"Our kid's comments.... "This is the most beautiful house we have ever seen!" They loved the views, fish in the water-garden, the whale watching tower, their own rooms, media room and white robes. Parents comments....We just visited Ravello, Italy, and I told my husband he could never do better. But....WOW!! We were amazed how similar the views from this house are to Ravello which overlooks the Mediterranean Sea! Thanks for your kindness."

**MacDonald, August 2011**

"We had a wonderful time at your beautiful home - it was perfect for our family. We were very fortunate with the weather - we had to tear everybody away to leave the house to enjoy the "other" Kaua'i attractions."

**Anderson, August 2011**

"We had an amazing time! This house is beyond fantastic! The view is insane! Loved the pool! Thank you!"

**Anonymous, August 2011**

"This is hands down one of the most beautiful houses we've stayed in. It was a joy! Thanks for everything. Anytime you want to invite me to stay, move in or take the house off your hands, just let me know! LOL! Thanks again - don't think we could find better!"

**Walsh, September 2011**

"Well, we didn't know much about Kaua'i. We decided to come and have a look. We had only seen the property in pictures and read a description. Everything happened magically. We picked the perfect time of year - without knowing it. You can't describe the house in words. Absolutely top 5 places in the world on our list. When you come here it changes the ways you look at things. We will take that home with us. Already making plans to come back. Thank you so much."

**Hamm, September 2011**

"The perfect house for the perfect island! To wake up every morning to this view is something that cannot be forgotten. Feeling refreshed and ready for a New York winter! Thanks for everything - it was the BEST."

**Koys, September 2011**

"Kalihi Kai Vista has stolen our hearts as our favorite place in the world! As world travelers, hoteliers, investors and interior designers, we know a thing or two about magnificent accommodations and this place has it all.....

1) LOCATION - unbeatable, water, mountains, greenery - SPECTACULAR - you don't know where to look first!

2) AMBIANCE - interior design, architecture & landscaping (Yeah for Willie!) - Impeccable to every detail, yet naturalistic - fits with the beauty of Kaua'i.

3) HOSPITALITY - the entire Lambden Family was wonderful, warm & welcoming - truly special!

4) OVERALL EXPERIENCE UNFORGETTABLE - from the amazing sights from the bluffs of Kaua'i to the limestone & wood carvings to the totality of Kai Vista to the TASTES of Chef Ryan's sumptuous foods to the SOUNDS of the ocean waves below to the tiki torches, comfy beds, soft towels, soothing salt water pool & warming fire pit.....an experience we were blessed to enjoy for our 13th wedding anniversary! THANK YOU PURE KAUA'!!! Can't wait to return."

**Dehni, October 2011**

"In October 2011, my wife and I spent an unforgettable one week at Kai Vista, Kaua'i. From the moment we walked in, we were surrounded with true luxury - Balinese Style. The house is large and magnificently well designed with all the amenities we needed. We were surrounded with natural elegance inside and out; and the views were unforgettable: forest, mountain range, rainbows, and ocean. The large swimming pool, outside showers, fire pit and whale watch tower indulged our senses with exhilarating and unforgettable experiences. As world travelers, Kai Vista surpassed any five star hotel accommodations. You guys have created the ultimate luxury retreat catering to families or those who seek that special romantic place to unwind and relax in privacy and elegance. We cannot wait to go back!"

Just waking up to the views and breezes....WOW!!!! Truly the experience of a lifetime for us all. It was like we had a resort to ourselves but only BETTER!! Thanks for your wonderful hospitality."

**Spann, December 2011**

"We have never spent a more fun, relaxed, pleasurable, enjoyable week. Your craftsmanship from floor to ceiling is evident. The detail, theme-connection and consistency are breathtaking...literally. The pool, the tiki torches, fire pit, lanai, furnishings, garden...all of it is just enchanting. We pray that we may come back again and again. Your reclaiming of Bali wood is brilliant. The hot tub in the pool - a stroke of genius. The landscaping and plants just bring it all into harmonious perfection. Unforgettable trip of a lifetime!"

"Inspiring, gorgeous, luxurious and magical! Kalihi Kai Vista has been a profound experience for us. We came up here on a whim (thanks to Pure Kauai and Phil Jones) for a supposed "stay-cation". Unknown to me, my boyfriend of 4 years proposed to me in the hot tub under a perfect starry night and crescent moon. It could not have been more perfect with the tiki torches and fire pit lit. WOW! I was shocked, more surprised than I have ever been. And I said YES! ha ha ha

We stayed here for a perfect 3 days enjoying the pool, the landscape, scenery, whales jumping in the distance, amazing dinner, a few close friends, the view/sunset from the watch tower, coffee on the lanai, surround sound from the BOSE system and more  I couldn't be happier and more relaxed after a few fun filled days of LOVE and inspiration. We feel so lucky to have this experience and time at this incredible masterpiece of a home and architecture. We can't wait to come back for another special occasion. With love, appreciation and gratitude

"Our young family of four plus grandmother enjoyed every inch of this spectacular estate. The indoor and outdoor rooms are each stunning and special in their own unique way. We can appreciate all the careful thought and planning that went into every aspect of this home, and yet, it is quiet and understated in its beauty and enjoyment. It is truly the perfect backdrop to a magical Hawaiian vacation. Our kids enjoyed the pool down to dusk, playing hide and seek on the grounds and reading in the tower and sleeping under canopies. The adults enjoyed good company and happy kids! Thank you!!"

"Dear Teresa & Justin,

Thank you for providing our family with such a beautiful home within which to relax, recharge and heal. Every morning taking our coffee out on the lanai, looking out onto the valley and the ocean - it is an experience we will take back with us.

My mother, with whom I was very close, passed away in May. I came back to Kauai, an island she loved, to help heal my broken heart. One morning, while sitting on the lanai, I saw a rainbow as I was thinking of her. A few minutes later, another one appeared, this time a double rainbow! I took this to be a message from her saying, "Yes! It's me! I'm here, I'm all around, and life is beautiful!" Thank you!"

"Kalihi Kai Vista is an experience of a lifetime. From the incredible mountain and garden views that re framed by every window to the pool and the lookout tower that give you another perspective on Kauai – the entire home is magic! We especially loved seeing the morning rainbows, visiting with the little frogs in the koi pond at night and the enchanting way that the gardens are laid out! Thank you for a wonderful experience!"
